Resident Susanne Sardino of 2138 Baltimore Pike inquired about a residential subdivision. The Supervisors advised her to attend the next Planning Commission Meeting with information and a sketch of what she wants to do.

Resident Earl Hoover attending the meeting suggested a min-split for the meeting room, so residents could hear because of the loud air conditioner. The Supervisors are already looking into the matter but a mini-split will not work in this old building. Resident Ginny Boden also suggested the Supervisors maybe use a microphone for meetings.

Resident Carol Myers informed the Supervisors of a large hole on Peiffer Rd that ground hogs are using. They will check it out.
