Subdivision Plans:

There were no plans presented.

Business from the Floor:

There was no business from the floor.

Old Business:

Solicitor Sharon Myers reiterated her opinion on the possible subdivision of the Kauffman Farm at 43 Bermudian Church Rd. Her legal opinion is they have one building right with road frontage or at least three rights with a cul-de-sac based on the Township's current ordinances. There are some conflicting sections in the ordinances and when something is not clear the law normally favors that of the property owner. The Supervisors spent a lot of time in the past month reviewing the information and are all in favor of allowing them to begin the process to subdivide the farm, allowing two of the grandchildren to keep the farm in the family. Planning Commissioner Carol Myers expressed her disagreement.

Supervisor Dan McGregor reminded residents of Spring Clean-up this Wednesday, Thursday and Friday.
